### **Special Meeting**

The FY 2018 State Budget includes a new initiative to reduce property taxes by requiring each county to develop a County-wide Shared Services Initiative. The County-wide Shared Services Initiative calls for the establishment of a Shared Services Panel in each County chaired by the Chief County Executive. The Panel consisting of all Town Supervisors and Village Mayors will work to develop a County-wide Shared Services Property Tax Savings Plan by coordinating and eliminating duplicative services.

The Public is invited to attend a meeting of the Shared Services Panel being held prior to the Board of Supervisors Meeting on Wednesday, July 26, 2017 at 3 p.m. in the Board Room of the Senator Charles D. Cook County Office Building, 111 Main Street, Delhi, NY.
