Dear Lisa,

Congratulations for organizing a superb mock car crash event on Tuesday. Staff members here are talking about it, students are talking about it, and the community is basking in the glory of a front page photo in the Daily Star.

You should be very proud of your efforts, your thick skin, and your professionalism throughout the planning and implementation of this event. You are good at what you do, and we are fortunate to have you working in Delaware County.

Good luck with your future endeavors.

Sincerely,

Mike Snider
Principal
