DELHI, NEW YORK

DELAWARE COUNTY

# 1ST ANNUAL STOP-DWI GOLF TOURNAMENT

Welcome!

The months of planning have all culminated to this day, whew!

STOP-DWI stands for "Special Traffic Options for Driving While Intoxicated". All 62 counties in the state of NY have a STOP-DWI Program. The goal of the STOP-DWI program is to reduce the rate of alcohol and other drug-related injuries and fatalities through the creation of programs relating to enforcement, prosecution, probation, rehabilitation, public information, education and administration.

By your participation, sponsorship or donation to this tournament, you are channeling needed revenue into the Community Outreach and Education portion of the Delaware County STOP-DWI Program. Every dollar made at this tournament will go directly back into these programs to be used to reach the at-risk age groups of 12 - 18, Community Outreach and Education.

This is the "1st Annual" of what I hope to be a continuing tradition in this county. I look forward to meeting as many of you as possible today. It is my hope that you have the best day of golf ever; relax, have fun, eat, laugh and enjoy life.

Lisa A. Barrows

# Delhi College Golf Course

Many thanks to Dave Arehart, Jeremy Moses, Mike Barnes and the incredible people associated with this golf course.

Working with Dave made my job so much easier. His passion for this game shows in all he does; from our first meeting with him to going over the last-minute details. Dave was a wealth of information and so easy to work with in making sure this tournament was a success.

Really, this tournament would not have been possible had it not been for the generous donations and contributions from these businesses. Most, if not all of these organizations are asked almost daily for donations, sponsorships, etc. I know it is impossible for any business to donate to all, even though all causes may be worthwhile.

'Thank You' just doesn't seem like it's enough...So, to each of these organizations, please know that your support and generosity is most appreciated and has indeed gone towards a good cause.

# A SPECIAL WORD OF THANKS

Confession time.

O.k. I have to admit something...back in December, when the idea of this tournament was just a small seed with nary a thought of germination, the only thing I knew about golf was that it involved a small white sphere; grown men and women (and even some kids) took turns whacking at it with clubs. Honestly, I just didn't get it.

Mulligan? Skins? Captain & Crew? I thought skins were what I peeled off chicken and captain and crew...aren't they on a boat?

Thankfully there are those in our midst who view this (yes, it is a sport) as the sport of Kings... I don't know any kings but I sure do know some people that are worth their weight in gold.

**Al Ferrara** and **Gary DuBois** *KNOW* golf! **Gary Leahy** always answered my calls for help and always had the answer. **Terri Theobald** and **Dallis Wright**, my constant 'cheerleaders', where would I be without you to bounce my crazy ideas off?

Seriously, these folks are busy; full time jobs and families, but every time I needed help, had questions or just needed some reassurance that it would all come together, they were always there to lend a hand or offer words of advise and support. What became more important was not my growing knowledge of golf, rather the knowledge of the simple fact that people here love to play it. A golf tournament made sense.

I had to mention these fine people by name simply because without them I would have never have been able to pull this event together. Time and space prohibit me from naming each and every person who played a part in this tournament. So...

To everyone at the Sheriff's Department, Probation Department and the New York State Police, a huge '**thank you**' for your support, not only for this tournament but for your continued support of the STOP-DWI Program.

Lisa
