Who Pays for Services?

We bill Medicare, Medicaid, Veterans Insurance, and Private Insurance Companies (such as Blue Cross and HMOs). Private payment is available on a sliding scale basis.

Other >>>

Services

Long Term Home Health Care Program

An alternative to nursing home placement, assisting people of all ages to remain at home during a long illness or convalescence.

Provides a wide spectrum of services to medically eligible clients.

Office of Long Term Care

Assists patients and their families in planning for the care of the elderly handicapped person by:

- Individual and/or family counseling as to medical services and available options.
- Providing information on the costs of various services, adult homes and/or nursing homes.
- Helping families in arranging for personal care aides and nursing services.
