The Delaware County Senior Transportation System is designed to cover the main routes that pass through Delaware County. We recommend that new passengers contact Office for the Aging at 607-832-5750 at least 24 hours in advance.

Although the system serves primarily persons 60 years of age and older, we will transport persons with disabilities (age 18 or older) on a space available basis. Persons having difficulty in getting to the designated bus stops should call our office and we will see if an alternate location can be arranged.

Starting June 1, 2012, the Delaware County Senior Transportation System expanded all Oneonta bus stops to include stops for medical services in Oneonta.

People wishing to use the bus system to get to medical appointments at any of our destinations may do so. **Any appointments should be scheduled to start at least a half hour after the scheduled arrival time for the destination. All appointments should be completed in time for final departure.**

Please call our office for more information and to reserve a seat on the bus. If the purpose of the trip is for a medical appointment, please note that at the time of reservation.

The office is always closed on the following holidays:
